2. PROPERTY DESCRIPTION

The Lamora Lagos is a contemporary luxury serviced apartment hotel located in Victoria Island, one of Lagos' foremost commercial, diplomatic and lifestyle districts.

Designed to combine the independence and residential comfort of a private apartment with the professional service standards of an upscale hotel, The Lamora Lagos offers 31 serviced suites across five accommodation categories, from stylish Studio Suites to an exclusive four-bedroom Presidential Suite.

With a combined theoretical accommodation capacity of up to 116 guests, the property is particularly suited to corporate executives, families, diplomatic travellers, project teams, long-stay residents and VIP guests requiring greater space and privacy than conventional hotel accommodation.

The accommodation offering is complemented by dedicated dining and social spaces including a Restaurant, VIP Lounge and Coffee Shop.

The Lamora Lagos service philosophy is: **PERSONAL. EFFORTLESS. REFINED.**

3. ACCOMMODATION INVENTORY

The Lamora Lagos comprises 31 serviced apartments/suites configured to accommodate individual travellers, couples, families, corporate groups and extended-stay residents.

Suite Category	Maximum Guests per Suite	Number of Units	Maximum Category Capacity
Studio Suite	2	6	12
1-Bedroom Suite	2	6	12
2-Bedroom Suite	4	12	48
3-Bedroom Suite	6	6	36
4-Bedroom Presidential Suite	8	1	8
TOTAL		31	116 Guests

4. SUITE CATEGORIES

STUDIO SUITE

Inventory: 6 Suites

Maximum Occupancy: 2 Guests

The Studio Suite provides an elegant and efficient residential environment designed primarily for individual business travellers and couples.

The suite is intended to combine sleeping, relaxation and functional living requirements within a contemporary open-plan arrangement.

Ideal For

- individual corporate travellers;
 - couples;
 - short business stays;
 - consultants;
 - weekend stays; and
 - single extended-stay residents.
-

1-BEDROOM SUITE

Inventory: 6 Suites

Maximum Occupancy: 2 Guests

The 1-Bedroom Suite provides greater separation between sleeping and living areas, offering enhanced privacy and residential comfort.

Typical Configuration

- one private bedroom;
- ensuite bathroom;
- separate living area;
- dining area, where applicable;
- kitchen or kitchenette facilities;
- workstation; and
- residential storage.

Ideal For

- corporate executives;
 - couples;
 - extended-stay guests;
 - expatriate residents;
 - project consultants; and
 - diplomatic travellers.
-

2-BEDROOM SUITE

Inventory: 12 Suites

Maximum Occupancy: 4 Guests

The 2-Bedroom Suite represents the property's largest accommodation category by inventory, with 12 suites, accounting for approximately 39% of total available units.

Designed for guests requiring additional accommodation flexibility, the suite provides two bedrooms together with shared residential living facilities.

Typical Configuration

- two bedrooms;
- bathroom facilities according to final unit design;
- living/lounge area;
- dining area;
- kitchen facilities;
- storage;
- workstation or business-use area; and
- residential amenities.

Ideal For

- families;
- corporate colleagues;
- long-stay project teams;

- diplomatic guests;
 - relocation stays; and
 - executive sharing arrangements.
-

3-BEDROOM SUITE

Inventory: 6 Suites

Maximum Occupancy: 6 Guests

The 3-Bedroom Suite provides spacious residential accommodation suitable for families, executive groups and longer-stay occupants.

Typical Configuration

- three bedrooms;
- multiple bathroom facilities according to final unit design;
- substantial living area;
- dining area;
- kitchen;
- enhanced storage; and
- residential guest amenities.

Ideal For

- families;
 - senior executive groups;
 - diplomatic delegations;
 - long-stay residents;
 - corporate project teams;
 - relocation guests; and
 - small travelling groups.
-

4-BEDROOM PRESIDENTIAL SUITE

Inventory: 1 Suite

Maximum Occupancy: 8 Guests

The 4-Bedroom Presidential Suite represents the flagship accommodation offering at The Lamora Lagos.

Designed for senior executives, VIP guests, diplomatic visitors, prominent personalities and families requiring exceptional privacy and space, the Presidential Suite provides the property's premium residential experience.

Configuration

The Presidential Suite provides:

- four private bedrooms;
- premium bathroom facilities;
- expansive living and entertainment areas;
- dining facilities;
- full residential kitchen;
- enhanced guest amenities;
- premium furnishings and finishes;
- executive workspace;
- enhanced privacy; and
- personalised VIP service.

Ideal For

- VIP guests;
- senior corporate executives;
- diplomatic guests;
- government delegations;
- celebrities and public personalities;
- premium family stays; and
- private executive hosting.

5. ACCOMMODATION SUMMARY

Inventory by Category

- 6 Studio Suites

- 6 One-Bedroom Suites
- 12 Two-Bedroom Suites
- 6 Three-Bedroom Suites
- 1 Four-Bedroom Presidential Suite

Total: 31 Serviced Suites

Maximum Theoretical Guest Capacity: 116 Guests

The maximum capacity is calculated on the stated maximum occupancy of each suite and remains subject to final hotel policies regarding adults, children, additional beds and individual booking conditions.

6. STANDARD SUITE FEATURES

Subject to final category specifications, accommodation at The Lamora Lagos is designed to provide a contemporary luxury residential hospitality experience.

Standard facilities are expected to include, as applicable:

- premium bed and bedding package;
- ensuite or dedicated bathroom facilities;
- contemporary guest amenities;
- comfortable living and relaxation spaces;
- smart television;
- high-speed wireless internet access;
- individually controlled air-conditioning;
- work desk or workstation;
- wardrobes and luggage storage;
- electronic in-room safe;
- telephone/intercom access;
- tea and coffee-making facilities;
- refrigerator;
- dining facilities according to suite category;
- kitchenette facilities;

- crockery, cutlery and glassware;
- premium towels and linen;
- blackout window treatments;
- bedside power outlets;
- USB/charging facilities;
- housekeeping service;
- complimentary bottled water on arrival; and
- guest information/service directory.

7. EXTENDED-STAY FACILITIES

As a luxury serviced apartment hotel, The Lamora Lagos is specifically designed to accommodate both short-stay and longer-term residents.

Extended-stay functionality includes or is intended to include:

- residential-style living areas;
- separate bedrooms in applicable categories;
- kitchen and kitchenette facilities;
- refrigerators;
- dining areas;
- enhanced wardrobe and storage capacity;
- regular housekeeping services;
- laundry support;
- high-speed internet connectivity;
- corporate billing arrangements;
- long-stay accommodation packages;
- personalised guest-preference records;
- engineering and maintenance support;
- guest security controls; and
- extended-stay service packages.

8. FOOD & BEVERAGE

The Lamora Lagos incorporates three principal guest-facing food and beverage concepts.

RESTAURANT

The property's principal restaurant provides a refined but approachable dining environment serving residents, corporate guests and external patrons.

21. BRAND POSITIONING

The Lamora Lagos is designed around three core service attributes:

PERSONAL

We recognise the individual and tailor the experience around the guest.

EFFORTLESS

We remove unnecessary friction and make each stage of the guest journey simple and intuitive.

REFINED

We deliver our service with discretion, attention to detail, consistency and understated sophistication.

The property's operating culture is supported by the **LAMORA Service Code**:

L — Listen & Learn

A — Anticipate

M — Make it Personal

O — Own the Outcome

R — Respond with Grace

A — Always Elevate
